ABOUT ME

My experiences as a manager in customer service, have exposed me to data analysis. I was challenged by a previous colleague to understand and analyze the data and trends and how it directly affected our business. This led to my current journey in Business Intelligence and Data Analytics.

SKILLS

Tableau

Power BI

SQL (PostgreSQL)

Excel (Pivot tables, V-look up)

Data Analysis

PROFESSIONAL EXPERIENCE

Data Analytics (or Science) Apprentice, Nashville Software School

Jul 2021 – Present

I am currently an apprentice with NSS completing real time projects using data analysis skills and software.
