Data Analytics Apprentice

Six-month intensive data bootcamp aimed at developing key core skills to prepare students for careers in data

Nashville, TN

2021-Present

Conexión Américas

College Access Program Coordinator

Leading immigrant and Latinx advocacy and services organization in Nashville that raises immigrant voices in the public sector and lifts communities by providing education and entrepreneurial resources.

- Coordinate wraparound services for high school students including academic planning, standardized test prep, and professional development.
- Design and implement lesson plans for afterschool college and career prep sessions.
- Track and organize program data for grant reports and program development.
- Provide one-on-one individual case management for students with different immigration statuses, from diverse cultural and socioeconomic backgrounds, and over a dozen national backgrounds.

Nashville, TN

2019-Present

Arts & Science Council

Davidson Impact Fellow

The City of Charlotte's arts and culture umbrella institution. ASC distributes funds and provides programming services within the Charlotte-Mecklenburg region of North Carolina.

- Managed and mentored students in Studio 345, an afterschool arts immersion program for high school students from diverse, underserved backgrounds.
- Published multidisciplinary research connecting physical movement and education outcomes.
- Coordinated and negotiated with contributors, printing firms, and other stakeholders to publish *Nature Matters Curriculum Guide* and launch our *Nature Matters* Network.
- Served as Chief Editor for ASC's *Nature Matters Curriculum Guide*, a collection of socially conscious interdisciplinary curriculum centered on the holistic development of children and youth through art.
- Supported ASC team members in their capacities, such as training teaching artists, helping select CATO Excellence in Teaching Award recipients, organizing education directors meetings for local arts organizations, and leading youth programming.

Charlotte, NC

2018-2019
